

Auto Clean

Hygiene is more important than ever

As we face today's 'new normal', it is now imperative to stop the spread of bacteria in public facilities.

Restrooms are notorious for being a 'bacterial hot zone.'

Our Auto Clean system is a revolutionary unit that answers the question - Is it possible to eliminate 99.9% of bacteria with every flush?

**ELIMINATES ODOR
& BACTERIA**

Clean toilets and urinals with every flush

**ESSENTIAL
RESTROOM ITEM**

Reduces buildup in fixtures and pipes

**HYGIENICALLY
SUPERIOR**

Reduces manual cleaning time

**REDUCE
EXPENSES**

Prevents costly plumbing repairs

An innovative way to prevent the spread of bacteria in today's new normal

Auto Clean

Discover the Auto Clean

- Eliminates 99.9% of odor causing bacteria with every flush
- Prevents "slow drain" due to hard water deposit and uric scale build up in fixtures and pipes
- Enzyme based cleaner turns water blue so you know it's working
- Reduces manual cleaning time and plumbing repairs
- Toilet and urinal models available
- Sleek, compact, and unobtrusive

Set a new standard to protect the health and safety of your staff, customers - and enhance your company's reputation.
