

SaniPod™

Hygiene is more important than ever

We need safe and touch-free disposal for today's new normal.

Research tells us feminine hygiene units are a 'bacterial hot zone' – well ahead of the floor, sink and door handle.

SaniPod™ is a revolutionary sanitary disposal unit that answers the very sensitive question faced by women; how to dispose of sanitary products hygienically, responsibly and easily?

ELIMINATE CROSS CONTAMINATION

Stop the spread of infection from a common touch point

ESSENTIAL RESTROOM ITEM

Crucial for every womens restroom stall across all industry types

CREATED BY WOMEN FOR WOMEN

Women can now enjoy the first-class washroom experience they deserve

REDUCE EXPENSES

Prevents costly plumbing repairs

A safe and touch-free solution for today's new normal.

SaniPod™

Why women prefer SaniPod™

- A considerate design women truly appreciate
- Safe and simple to use – discreet, reliable and protected
- Eliminates blood-borne cross-contamination from a common restroom 'hotspot' for bodily fluid exposure
- Unique touch-free opening-no more unsightly surfaces removes the trapping of sanitary waste
- Compact and unobtrusive

Set a new standard to protect the health and safety of your staff, customers - and enhance your company's reputation.
